

Parts List & Instructions

WEAVER SNAP DAVIT SYSTEMS for BOSTON WHALER (SD8)

Parts List

- 2 - Stainless Davit Heads
(Longer head goes on the bow)
(Shorter head goes on the transom)
- 2 - Backing Plates
- 2 - Swimboard Hooks
- 8 - 2" 1/4x20 Pan Head Bolts
- 8 - 4" 1/4x20 Pan Head Bolts
- 16 - 1/4" Washers
- 16 - 1/4"x20 Nylock

Instructions

Long davit head goes on the bow of the BostonWhaler above the seat. Shorter davit head goes on the transom above the seat. Holes on the gunnel must be drilled at an angle so the nut can be put underneath the gunnel. Backing plates are for the outside of the gunnel for bottom holes.
